

# UNDER THE BELL LAMP – EU VERSION

ISKOS-BERLIN ON THE DESIGN “Under The Bell” is not just a lampshade. When hung over a table or in a open environment it creates its own space within the bigger space. That way, the lamp embraces and shelters the table and people beneath it - both physically and in a more abstract sense. The recycled plastic felt even absorbs sound and helps improve the acoustics of your room.

Ø 82 cm /  
32.25"

## DESIGNED BY / YEAR OF DESIGN

Iskos-Berlin / 2011

## ABOUT THE DESIGNER
